***How has the PE and Sport Premium grant made a difference to our school?***

*We are continuing to work closely with one of the leading PE and sports coaching companies - Arsenal, to raise the level of achievement reached by pupils as well as working alongside our teachers to increase their subject knowledge and confidence.*

*All teachers have benefited from observation and team teaching of a range of sports which has helped them to develop as PE teachers and as a consequence enhancing and developing the children's learning in these sessions.*

*All children have made excellent progress in swimming due to expert coaching and the opportunity to have swimming coaching twice a week from May to November.*

*There has been an increase in participation of sport during after school clubs. Children relish the opportunity to take part in free after school clubs delivered by an external organisation 'Arsenal Soccer School'. Being able to provide a free 'Arsenal' club for all years has been extremely popular and club sizes have*

*increased. It is great to see the increased participation throughout the school.*

*Sports equipment is being continually updated for class and playtimes, making sure that high quality equipment is available for all classes to use with the help of the Grant.*
