Intent of expenditure for academic year 2016/17:

- One hour weekly PE sessions led by Arsenal Saints Schools.
- Teacher training on specific areas to help develop the quality of teaching.
- Twice weekly half hour swimming lessons from May ó November delivered by professional swimming coach.
- Sports equipment purchases/upgrades.
- Gifted and talented opportunities ó developing those children who show a particular aptitude to sport.

How has the PE and Sport Premium grant made a difference to our school?

We are continuing to work closely with one of the leading PE and sports coaching companies, Arsenal Soccer School, to raise the level of achievement reached by pupils as well as working alongside teachers to increase their subject knowledge and confidence.

Teachers have, and will continue, to benefit from numerous training on a range of sports helping them to develop their PE and sports skills which in return has enhanced and developed the children's learning in these sessions.

All children have made excellent progress in swimming due to expert coaching and the opportunity to have swimming lessons twice a week from May to November.

Children who have a particular sporting talent are offered extra opportunities to take part in training and competitions. The federation has a designated Gifted and Talented Co-ordinator for this purpose.

Sporting equipment is being continually updated for class and playtimes, making sure that high quality equipment is available for all classes to use with the help of the grant.
