Dear Parents/ Carers,

Welcome back to the new school year. It's been so good to see everyone back in school with big smiles on their faces. We're all looking forward to another exciting year here at St. Mary's.

Welcome to Mrs. Berry who is joining us as a teacher in Rosen Class. She will work alongside Miss. Lee and we know that she will be an excellent addition to the team.

Here is a quick update. As always, we will keep you informed of dates and events as soon as we can.

- We have our new 'Early Birds' and after school clubs in school now. If you need to book a space please feel free to contact Mrs. Rundle in the school office.
- We will be adding 'Class Assemblies' to the timetable this year. You will be invited to an assembly once a term which will be an opportunity for the children to share with you, some of the things they have been learning in school.
- We are currently organising our after school clubs. You will receive more information soon about what is on offer this term and when clubs will begin.
- You will also receive information about what your child will be learning this term with an invitation to come along to a welcome meeting where your child's class teacher will be able to tell you more and answer any questions that you may have about the coming year.

As always, thank you for your continued support with everything we do at school. We really appreciate it.

Regards,

Adrian Clements  
Head of School
