

## English

During the Autumn term, we will be focusing on improving the transcription, vocabulary and presentation of our writing.

We will be working on sentence level work, with a specific focus on accurate grammar, spelling and using increasingly sophisticated vocabulary and punctuation.

We will be focusing on the following text types over the course of the Autumn Term:

- \*Explanation Text
- \*Discussion
- \*Argument

## Computing

We will use ICT to research and present information about our LCC topic "Forces." Individual computing lessons will focus on the program 'We are Game Developers.'

Children will be taught how to

- \*Use search technologies effectively and be discerning in evaluating digital content.
- \*Select, use and combine a variety of software.

## Geography

Geography will be covered through LCC projects.

## DT

DT will be covered through the topic 'Forces.'

# Brixton St Mary's School

Class 4 - Year 5/6  
Autumn Term  
2019

## Homework

Homework will be sent out each Friday to be completed by the following Wednesday. Please also bring in signed reading diaries and spelling books each day. Spelling tests are on a Friday and new spellings will be given as part of homework.

## Music

Music will be covered through LCC projects.

RE U2.1: What does it mean if Christians believe that God is holy and loving?  
Mr Clements will be teaching RE on a Wednesday.

## PE

This term we will have coaching sessions from T14 on a Wednesday.

## Mathematics

In Mathematics we will be focusing on the areas of place value, addition, subtraction, multiplication and division.

We will use a variety of representations to increase our fluency in the order and place value of numbers beyond 1000. Also, we will begin to extend our knowledge of the number system to include decimals and fractions. We will practise mental division and multiplication facts and practise written methods of the four operations.

## Science

Science will be covered in LCC through the topic 'Forces.'

LCC "May the Force be with you" We will be we will research our solar system and the deeper mysteries of the universe. We will cover science, art, history, technology and international.

MFL We will be learning some French this term, covering the 'All about me' topic.

## Art

Art will be covered through our LCC projects and through special Art weeks.

## PSHE

PSHE will be covered in school and class assemblies, and our focus will be Friendship.
