

## English

During the Spring term, we will be focusing on improving the transcription, vocabulary and presentation of our writing.

We will be working on sentence level work, with a specific focus on accurate grammar, spelling and using increasingly sophisticated vocabulary and punctuation.

We will be focusing on the following text types over the course of the Spring Term:

- \*Setting Description
- \*Character Description
- \*Extended Story

## Computing

We will use ICT to research and present information about our LCC topic. Individual computing lessons will focus on Web page design.

Children will be taught how to

- \*evaluate a webpage
- \*design and create a webpage
- \*add text to a webpage and use the word count tool
- \*add images to a webpage
- \*add a hyperlink

## Geography

Geography will be covered through LCC projects.

## DT

DT will be covered through LCC projects - making totems.

# Brixton St Mary's School

Class 4 - Year 5/6  
Spring Term  
2020

## Homework

Year 5 homework will be sent out each Friday to be completed by the following Wednesday, Year 6 will have SATs papers in for Friday. Please also bring in signed reading diaries and spelling books each day. Spelling tests are on a Friday and new spellings will be given.

## Music

Will focus on - Fresh Prince of Bel Air by Will Smith - Hip Hop.

## RE

Mr Clements will be teaching RE on a Wednesday. Children will be learning about the Jewish faith and focusing on Easter.

## PE

This term we will have coaching sessions from Achieve for All on a Wednesday, with a focus on gymnastics.

## Mathematics

In Mathematics we will be focusing on the areas of algebra, fractions, decimals and percentages.

We will continue to practise and use the written methods of the four operations in different ways, including with fractions and decimals. We will practise converting between fractions, decimals and percentages.

In Year 6, we will also be looking at previous SATs papers to gain further understanding and to practise examples of questions.

## Science

A focus on the changing of materials and changing states.

LCC Topics -Science - "Could you be the next CSI investigator?" a focus on materials.

Geography - "Why is Brazil in the news again?" a focus on what life is like in Brazil.

MFL We will be learning some French this term, covering the 'My Family and friends' topic.

## Art

Art will focus on observing and printing a variety of patterns, using different media.

## PSHE

PSHE will be covered in school and class assemblies, and our focus will be Compassion.
