St. Mary's CofE Primary School

September 2025

Dear Parents and Carers,

Welcome back to the Autumn Term at Brixton St Mary's, I hope you have enjoyed a restful summer holiday and are ready for another busy term!

I would like to take this opportunity to inform you that PE will be on a Tuesday and Thursday this term - PE kits will need to be worn into school on these days. It is important that all items of clothing, PE kit, coats, water bottles and school uniform, are named to avoid any lost belongings.

Homework, including spellings, will continue to be set on a Friday this year, with homework in and spelling tests on Fridays.

During this term, those of us in Class 4 will be continuing with our topic-based curriculum, covering cross-curricular units of work based on different themes.

Our topics during the Autumn term will be History "Who were the Mayans and what can we learn from them?", Science "What would a journey through outer space look like?" and Geography "How do different people live across the world?" During our first topic, we will be using a variety of resources to research and explore our solar system, we will be writing Poems in English, and we will be designing and making a moon buggy in Design and Technology.

If you can, please discuss with your child the work they have done as the term progresses and let them teach you. If you have the chance to further their interest in the ideas of this theme please take it, but your enthusiasm and interest are most important.

If you have any comments or questions about your child's learning or you feel you could contribute to the teaching of the topic in any way, please get in touch.

Kind regards,

Mrs C Ironmonger
